**The Marion Board of REALTORS®
Area Wide Open House Weekend**

April 29, 2018

The price per ad is \$29.88.

The Marion Star deadline is Monday, April 23, 2018

With inventory being low, if you do not have a property for an open house, you might have a new listing that you want to feature. You may also want to advertise to list with you or your company.

You can have a drawing at your open house to win a door prize or give away trinkets with your company name on them.
