Taxes cost you more than they need to, especially since you're self-employed. You'll gain the tools to effectively run your business and hold onto more of your hard-earned income.

Here's what you can expect in our informative, fast-paced program...

- **Ways to use the 105 Medical Plan** to turn your and your family's medical expenses into tax-favored business expenses.
- **How to keep out of hot water with the IRS.** You'll discover time-saving strategies and learn how to audit-proof your records.
- **Home-Office Deduction strategies that work.** It's easier and safer to maximize now, you'll learn how.

These are proven-in-practice tactics and techniques that *experienced* agents can benefit from immediately.
