# Supra eKEY Professional and Home Tour

Get seamless access to real-time data and information, and connect with home buyers in new ways with an innovative app designed just for them.

## eKEY Professional

View listing and showing information anytime, create real-time showing notes, and get all of the great features of eKEY Basic—all in one app.

### Smart insights

- View and search MLS listings and agent roster—even when offline—and easily connect with other agents.
- Create real-time property notes for buyer's agents to view when opening the keybox.
- Easily access your list of buyers and invite them to engage with the Supra Home Tour app in an instant.
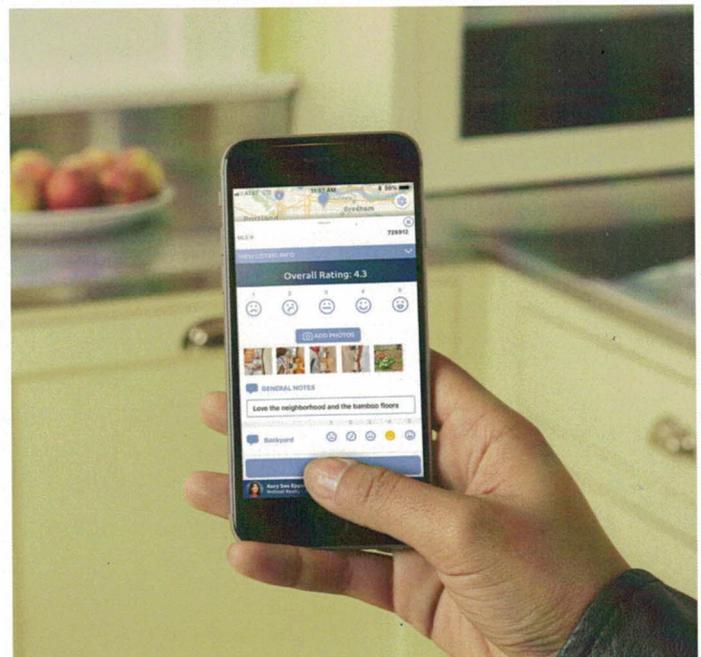

### Confidence and peace of mind

- Quickly and easily show properties using the phone's biometric feature—or even the Apple Watch®.
- Receive real-time alerts and notifications so you can elevate visibility at properties.
- View map and turn-by-turn directions to listings at the tap of a button.

## Home Tour

Add value and better understand your home buyers by helping them stay connected to the showing experience.

### Instant and at your service

- Capture home buyer preferences automatically in real-time—enable them to easily share feedback with their friends and family.
- Help home buyers never forget a home—give them the power to rate homes and monitor favorites.
- Stay up to date with home buyer preferences to help close sales faster.

# Supra® eKEY Professional

In addition to all the benefits of the refreshed Supra eKEY, Supra eKEY Professional also includes the following improvements.

- Invite buyers to rate homes using the all new Supra Home Tour app
- Review buyer feedback directly from your eKEY Professional app
- Add buyer contact information to the My Buyers address book
- Send showing notes about a listing without having to program the keybox or visit the listing (displayed in the eKEY app after the keybox is opened)
- Add an optional, extra layer of security by requiring your device's biometric functionality to open keyboxes
- Open keyboxes using your Apple Watch®
- Option to enter PIN only once per day to obtain keys (requires device lock to be enabled)
