Employer Assisted Housing

Course # 31318

4 Hours CE

Cost: \$40

Lack of affordable housing choices near the workplace can lead to longer commutes, sprawl, and traffic congestion that degrade the quality of life for all residents. Employer-assisted housing (EAH) is an employer-based benefit that helps employees move beyond common homeownership hurdles enabling them to purchase or rent a home, often within neighborhoods located near the workplace.

NAR's EAH class focuses on how to discuss employer-assisted housing with local employers, EAH benefits, and the options employers can implement to help their employees become homeowners. Classes are taught by NAR authorized instructors and are hosted by authorized sponsors.
