The Survey Says....

Course # 34286 2 Hours CE Cost: \$20

This course is designed to provide the real estate professional a basic understanding of land surveys and their importance in the purchase of land, development of the land, and the need for and reason why a survey should be done. As an agent representing a client it's important to understand what may need to be explored based on items identified on a survey, and the intended property use.

This is an interactive broadcast course, meaning participants in multiple locations will see, hear, and even speak with each other and the instructor.
