Applicant Agreement

I, (APPLICANT NAME) _____, hereby apply for Secondary REALTOR® membership in the Chesapeake Bay & Rivers Association of REALTORS® (CBRAR) and enclose my check which I understand will be returned to me in the event I am not accepted to membership. I attest that I am familiar with NAR's Code of Ethics and Arbitration Manual, Constitution, and Bylaws as well as the rules and regulations of CBRAR, VAR, NAR, and the MLS. I further agree that my act of paying dues shall evidence my initial and continuing commitment to abide by the aforementioned Association and MLS documents and duty to arbitrate, which may be amended from time to time without notice to me. Finally, I consent and authorize CBRAR, through its volunteer leadership or otherwise, to invite and receive information and comment about me from any member or other person, and I agree that any information and comment furnished to the Association by any Member or other person in response to any such invitation shall be conclusively deemed to be privileged and not defamation of character.

NOTE: Applicant acknowledges that if accepted as a Member and he/she subsequently resigns or is expelled from membership with an ethics complaint or arbitration request pending, the Board of Directors may condition renewal of membership upon the applicant's verification that he/she will submit to the decision of the Hearing Panel or if applicant resigns or is expelled from membership without having complied with an award in an arbitration, the Board of Directors may condition renewal of membership upon his/her payment of the award plus any costs that have been previously established as due and payable, in relation thereto, provided that the award and such costs have not, in the interim, been otherwise satisfied. Finally, applicant acknowledges that readmission as a Member may be contingent upon satisfaction of any outstanding debts that the Member incurred during a prior membership. **I further understand I will pay dues annually in order to continue my membership.**
