

My Reviews

We were looking for the best realtor to sell our 50 acre Hatchet/Sikes Ranch property in Pueblo County when we came across Ginger on the internet. From what we read, it seemed that she was very knowledgeable regarding Southern Colorado land so we gave her a call. Right from the start we could tell that Ginger gets it! She really understands the market she is representing. She is straightforward and realistic with the information she provides. Without ever meeting Ginger face-to-face, we listed our property with her. She immediately went out, took pictures and assessed the land. Again, everything she conveyed to us was with professionalism and a deep understanding of the area. She brought multiple qualified buyers to see our property and in short order we received a very good offer. She managed every bit of the process and all issues with the utmost professionalism and urgency. We are so happy for the new owners of the property as we believe it is a very special place and we wish them well. Thanks Ginger - you're the best! Kelly L. & Laura B.CO

Thank you so much for helping me. I couldn't have done it without you. You were a God send. You were the one who knew about this property and mentioned it to me. It is not every day that people like myself can find someone as nice as you to work with. I will keep in touch and who knows maybe some day I might be able to send you a new client. Hopefully when I visit again I will meet you in person. Thanks again for all your help. Good luck to you. Mary M. CA

You have been an outstanding agent to work with, and we have some friends interested in similar properties. Rest assured you will be our recommendation to them. Again, thanks. Kevin & Lorie R. IN

How good is Ginger? All I can say is anyone that can deliver a sale of a relatively marginal property in the worst market in almost a century with flawless professionalism, integrity and reliability has to be as good as someone can get. Jim S. VA

"Thank you very much for your assistance and I just want to say that I have never enjoyed working with a real estate agent as much as I have enjoyed working with you. You made it an enjoyable and personable experience. I feel as if I have not only acquired a great real estate agent but also made a new friend."

Ginger, thank you so much for your help and being available to answer my questions and guide me in the right direction. You have been a blessing. If I run across someone who wants to sell or buy property in Colorado I will refer them to you. You have been honest and upfront with me about everything and that is sometimes hard to find in people. I appreciate you. If I'm down that way I will look you up and maybe we can have lunch or dinner one day. Deloris K. TN

"We would like to share with you the exceptional treatment we received from your sales associate, Ginger Kelsey, while shopping for property near Walsenburg. Her engaging manner, genuine friendliness and candid responses to our questions so impressed us that we decided to spend more time with her and see what the area had to offer. Her knowledge of the entire area and development was impressive and thorough. Above all, though, her friendliness and sincerity were very persuasive. We just wanted you to know what a treasure you have in Ginger." Robert & Sue CO

Ginger had great patience in dealing with me, spent several hours with me the day I was there from out-of-state. She returned calls in a reasonable time, sometimes almost immediately. In closing she made sure our closing agreement was as agreed upon. Judy CA
