Search

Move the map to the desired area, or enter a city, zip code, address or MLS#. Press enter or click the blue arrow icon to see the number of results in various grids of the map. Click a bubble to drill-in and view matches. Click **Search Criteria**, **Advanced Search** or **Listing Statuses** to expand open the choices and enter criteria to refine the results. Click **Update Results** to display the results on the Map. Click **Switch to List View** to see the results information.

Property Details

Rolling your mouse over a property map point, displays a property summary and a link to a detailed property report.

Additional Features

Scroll to the bottom and use the Table of Contents to select the Gadgets to display and the order you prefer. To view more detailed information in a gadget, click the gadget header. Most gadget details contain print and email options.
