# Precincts and Polling Locations

Please provide new buyers with this information which shows their  
precinct and polling locations.

Remember to give them a Voter Registration Packet.

# View Precinct and Polling Location information

This page allows you to view precinct and polling place information. You can find specific precinct and polling place information by searching for your voter registration or by searching for a street segment. If you would like to view a map of the polling location, provided by an Internet web service, simply click on the polling place name.

Specify how would you like for the information to be displayed by using the radio buttons below. Changing this value will reset the output.

- ☒ Precincts and assigned locations  
☐ Locations and assigned precincts

In order to filter by a specific district, you must set the district category which will populate the districts within the District Name drop down list. Any change to the district category or name will reset the results.

Please Select a District Type Optional - Filter on district category:

Select a District Name Optional - Filter on district name:
