## Important Resources for Code of Ethics and Filing Complaints

REALTORS® abide by the strict standards of the Code of Ethics. If a REALTOR® has failed to meet these standards, you can file a complaint. First you must determine if this person is a REALTOR® and, thus, bound by the Code of Ethics.

Prior to filing a complaint, you may find it helpful to speak to the broker or principal of the agency or to speak to an Ombudsman (a volunteer *Tennessee Realtor* who serves on *the Professional Standards Committee* and can listen to your concerns and offer guidance)
