**THERE'S
STILL TIME...**

**TO FIX
BROKEN SIDEWALKS**

without taking away homeowners' right to vote

**Our city council can stand with residents...
AGAINST the Walla Walla Real Estate Excise Tax Bill**

BE SMART. BE FAIR. SAY NO. KEEP YOUR VOICE.

At a time when our property taxes and the cost of housing are **on the rise**, why is our city council spending taxpayer dollars to build a website calling for higher taxes on homeowners?

7 out of 10* of your neighbors are saying this tax is **unfair and unaffordable**.

Here are the facts the taxpayer-funded website selling this tax won't tell you:

- The Walla Walla Real Estate Excise Tax Bill **is another tax that homeowners would have to pay**, driving up the cost of housing even further.
- Citizens are paying for a lobbyist as well as a website pushing the Walla Walla Real Estate Excise Tax Bill. Our elected officials need to get their priorities straight. **We need to build better sidewalks - not misleading websites calling for higher taxes on homes.**
